Betty Walsh—Thank you!

Betty Walsh, 2nd VP of Wish List, and one of the original-founding parents of TTSO is retiring from the Board.

There is a MasterCard tag line that describes Betty—PRICELESS. Or even better the song titled 'hey big spender' ...her ability to blow \$10,000 with a single card swipe is legendary!

She has driven 1000's of miles, dialed 100's of telephone numbers, logged countless hours on the internet to make the academic departments' "Wish List" come true.

Betty—GOOD FORTUNE to you and your family! You will be dearly missed.

Respectfully,

Your Troy Family.

Computer Lab Project: Phase 1 Expansion.

\$10,000 still needed!

You can help TROY stay in the lead of California schools by making a tax-deductible donation, today, to the Computer Lab Project. The project is a major expansion and modernization of technology at the school. Phase 1 to be completed prior to start of school in the fall.

Troy High school is integrating technology throughout the school into all types of student activities including English, History, and yes even Math!

The current computers from the labs will be moved into the library to provide greater access for research by more classes at one time. However, the limits of our current equipment are holding the school back.

Make a difference in your child's education and keep Troy High School at the forefront of California Schools.

Please send your donation for the Computer Lab Project to:

Mr. Maruca— Thank You!

On behalf of TTSO and the contributors, we wanted to thank you for your vision, guidance and support of the organization. Your decades of navigating through the school system and driving Troy to a top ranked High School will be fondly remembered.

We wish you and your family a very HAPPY RETIREMENT!

Respectfully,

TTSO family.
