An Education Foundation

# \$8,000 Grant from Rosemount Analytical, Inc.

*"... By investing in education... our future becomes much brighter.  
I hope more improvements can be made to our school."*

– Leland, Troy student

Once again, we would like to thank Emerson Process Management/Rosemount Analytical, Inc. for their generous support of Troy's science and math programs. The grant funds will be used to purchase new equipment for the departments.

## Making a Difference

On May 13th, several TSO donors attended our Annual Contributors' Tea. The event is an opportunity to express our thanks and appreciation to all of the contributors who have helped TSO raise an average of over \$100,000 per year from grants, corporations and parent donations.

As we move into the 2010-2011 school year, the TSO mission becomes more vital than ever: to help bridge the gap between the ever-shrinking funding provided by the

state budget and the resources needed to provide high-quality educational programs for our students.
